Education

Sciences Po Paris **Paris, France**
PhD in Economics - Empirical Industrial Organisation 09/2022 – 06/2026

- Implementation of a dynamic market-equilibrium model to simulate climate policy scenarios in Java
- Quantification of policy scenarios in the French cement sector using Monte-Carlo simulation

Columbia University **New York, USA**
Visiting Alliance Fellow - Department of Economics 01/2025 – 04/2025 and 03/2026

- Estimation of abatement cost in the French cement industry using stochastic optimisation

Universität Mannheim **Mannheim, Germany**
Master of Science - Economics 09/2018 – 06/2021

- Grade: 1.2 / 5.0 (top 5%, with distinction)

Johann Wolfgang Goethe-Universität **Frankfurt, Germany**
Bachelor of Science - Economics and Business Administration, Major in Economics 10/2013 – 08/2017

- Grade: 1.2 / 5.0 (top 5%, with distinction)

Work Experience

University of Geneva **Geneva, Switzerland**
Postdoctoral Researcher, Department of Economics 07/2026 –

- Quantification of carbon leakage and investments in heavy industry for varying regulatory scenarios
- Applied dynamic modelling of green technology adoption under carbon price uncertainty

International Energy Agency (IEA) **Paris, France**
Junior Energy Analyst (part-time), Power Markets Division 07/2023 – 02/2024

- Analysis of developments and trends in the global nuclear power sector
- Quantitative analysis of electricity prices and power demand of heavy industry in Europe

Conseil d'Analyse Économique (CAE) **Paris, France**
Policy Research Collaboration 01/2023 – 06/2023

- Modelling and quantification of the economic impacts of carbon pricing for French manufacturing sectors

Institute of Energy Economics at the University of Cologne (EWI) **Cologne, Germany**
Research Associate, Energy Economics 09/2021 – 07/2022

- Consulting projects for private and public stakeholders on energy markets and climate policy

Leibniz-Zentrum für Europäische Wirtschaftsforschung (ZEW) **Mannheim, Germany**
Intern, then Research Assistant, Environmental and Resource Economics 07/2019 – 06/2021

- Econometric analysis of the impact of climate finance and renewable energy deployment

PricewaterhouseCoopers GmbH, Advisory **Frankfurt, Germany**
Intern, Economics & Policy 03/2018 – 05/2018

- Data-driven analysis and predictive modelling in economics and policy advisory projects

Deloitte GmbH, Transaction Services **Frankfurt, Germany**
Intern, Commercial Due Diligence 11/2017 – 02/2018

- Market and competition analysis in a transaction context

Technical Skills

Languages: German (Native), English (Fluent), French (Intermediate)

Software: Java, Python, R, Stata & Mata, MATLAB, GitHub

Publications

- “Local Economic Impacts of Wind Power Deployment in Denmark”, *Environmental and Resource Economics*, 2025 (with Claire Gavard and Jonas Göbel)

Working Paper

- “Climate Finance and Emission Reductions: What Do the Last Twenty Years Tell Us?”, *ZEW Discussion Paper*, 2021 (with Claire Gavard, Conditionally accepted at *Environment and Development Economics*)
- Emissions Trading, Market Power, and Endogenous Cap Adjustments (with Tom Brinker and Simon Quemin)
- Climate Policy, Industry Concentration and Technology Adoption: Evidence from the French Cement Industry (*Job Market Paper*)

Work in Progress

- Escaping the Uncertainty: Prices vs. Quantities with Long-Term Investment (with Diego Cussen)

Policy Reports

- “Electricity 2024: Analysis and forecast to 2026”, *International Energy Agency (IEA) Report*, 2024 (with Eren Çam, Zoe Hungerford, Francys Pinto Miranda and Carlos David Yáñez de León)
- “Carbon pricing and its implications in input-output networks: the case of France”, *Conseil d'analyse économique, Focus No. 96*, 2023 (with Isabelle Méjean)
- “H₂ - Förderkompass: Kriterien und Instrumente zur Förderung von Wasserstoffanwendungen für den Markthochlauf”, *EWI Policy Study*, 2022 (with Lena Pickert, Patricia Wild and Konstantin Gruber)
- “Regulatorische (Fehl-)Anreize bei der Produktion von grünem Wasserstoff”, *EWI Policy Brief*, 2022 (with Eren Çam and Samir Jeddi)

Teaching & Other Academic Activities

- “Introduction to Environmental Economics”, *TA (Undergraduate, Sciences Po, Spring 2023, Spring 2024, Fall 2024)*
- “Understanding Global Environmental Challenges”, *TA (Graduate, Sciences Po, Spring 2024, Fall 2024)*
- “Tackling Environmental Challenges: Policy Instruments for Sustainability”, *TA (Graduate, Sciences Po, Fall 2024)*
- “CIVICA European Week: Ecological Transitions: Cities on the frontline”, *Tutor (Undergraduate, Sciences Po, Summer 2023)*
- “CLS Internal PhD Seminar”, *Co-Organiser (Graduate, Sciences Po, Fall 2023 - Spring 2026)*
- “Econometrics using R”, *Lecturer (Undergraduate, Sciences Po, Spring 2023)*
- “Sustainable Businesses and Moral Markets”, *TA (Graduate, Sciences Po, Fall 2022)*
